## TEAM ROLES

### COACH'S ROLE

The role of the coach is to:

- Be the focal point of all activities of the team including dealing with any concerns of the parents.
- Run the team according to the Code of Conduct.
- Organise training and liaise with parents about coaching style, expected behaviour of players etc
- Attend coaching events and activities organised by the club
- Determine the team structure and players for each game (this may require a substitution roster being developed to ensure fairness and equitable use of the players and not favouring players based on ability).
- Brief the team before the game on your expectations and after the game on the performance of the team.
- Encourage the players and develop a team spirit at all times.
- Consult with the Manager and others about team selection, player awards and trophy recipients.

### MANAGER'S ROLE

Each soccer team requires a Manager to support the Coach and look after all the players in the team.

**The Manager is to:**

- Be the link between the club and the players and their parents for special events.
- Coordinate any activities required to support the team such as setting up an oranges roster, ensure parents set up the goals and pack them away at all home matches and develop a referees' list if required.
- Ensure the team members have a fixtures list and know the time and location of the match each week. Confirm details of such on the website.
- For teams 12s and above – pay referee's match fees to each official referee on match day. (See general rules of play).

[www.hrjfc.com.au](http://www.hrjfc.com.au)

- Control match card entries, including signatures on completion of the match.
- Be responsible for the players' registration cards (Junior teams).
- Liaise with the club officials about equipment - balls, strips, whistles and cones if required.
- Collect all the players' strips at the last match of the season and return to the club.

## **Before The Game:**

- Gather the team prior to each match in the right location.
- Fill in match cards completely with players' full names, registration numbers and club details (Hamersley Rovers JFC).
- At home games ensure that the opposing team completes the front of the match card correctly.
- For Junior teams 12 and above pay the referee before the match starts if an official referee is appointed. If a referee is not appointed a 'parent' referee must be provided by the home team.
- For Junior teams 12 and above organize a linesperson for the game (each team provides a linesperson). If an official referee is not allocated, the home team should supply flags to both linespersons.

## **After The Game:**

- At home games, ensure that the match cards are signed in ballpoint pen on the back of the card by all parties and place completed cards into the match card box, at the clubroom.
- Hamersley Rovers Junior FC will incur a fine if match cards are not filled in correctly or returned on time.
- If you require more cards or don't have the right ones, please contact the Club.
- Liaise with the team Coach to ensure that all Club equipment has been collected including match balls, flags etc
