PARENT / VOLUNTEER HELP

Complete the Club Support Section in the MyFootballClub registration system

All families are **expected** to assist the club with various tasks and we do expect that you will take the time to tick one of these boxes.

If you haven't nominated a role we will assign one to you.

We need people to participate on the Committee and again the majority of roles do not require a lot of your time. Please think about the future of our club—we do need parents to step up to assist with the management and running of the club. Further information is available at www.hrjfc.com.au
