

Hammersley Rovers Junior FC

Registrations are open
for our 2023 In-House
Li'l Hammers Program
(5–8 year olds*)

*age as of 31 Dec 2023

Our successful and popular Li'l Hammers program focuses on fun, inclusion, participation, and development. The program is run in association with Pro Football Training, who have been providing professional soccer training to children in Perth for over 14 years.

Our club is a community club that aims to provide opportunities for players of all abilities to maximise their potential in a safe, family-friendly environment.

The Li'l Hammers Program format involves a focus on different skills each week, followed by small sided games (3v3 or 4v4), so that children get maximum possible touches of the ball and plenty of opportunities to develop their skills.

Check out our promotional video
